Seminar: MEWA Health Insurance Program

As today's small businesses continue to search for cost-saving health coverage options, the Missouri Chamber of Commerce and Industry (MCCI) and the Missouri Chamber Federation (MCF) have taken action to help. MCCI and MCF have teamed up with Anthem Blue Cross and Blue Shield in Missouri to create a new health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer eligible employees. This new self-funded medical offering called the MCF Benefit Plan is a multiple employer welfare arrangement (MEWA). MEWAs enable smaller employers to join together to share in the overall claims risk. By being part of a larger, self-funded pool, employers have financial protection backed by Anthem's stop loss coverage.

The Affton Chamber is a member of the Missouri Chamber Federation and now your company can have access to this new option! Join us for this complimentary seminar to find out more!

Please park in the rear lower lot to access the conference room. Coffee & pastries will be provided.
